

We are a solo practice at 89 Sackville Street Fairfield NSW 2165 .

Dr Sarvjit Sohal is an experienced Dermatologist completing 22 years who has worked here at Fairfield now as Principal Medical Practitioner for the past 4 years .

As we have a huge waiting list to be seen by Dr Sohal and we are now booking in Middle February 2023.

We need another Dermatologist for Full time/ part time / casual VMO from Monday to Friday with Flexible hours. No Saturdays or Sundays.

We have a wonderful state of the art surgery containing Waldmann UVB Machine, Cryomed Coolview laser Genesis, Lutronic LED 830 and 633 nm Light for wound management and Metvix PDT. Regenlab PRP facilities, Skin Pen treatment.

We are also completely paperless and have online Medicare claim Facility. Pathology Download, Health Link correspondence and HPOS for PBS items.

We have three consulting rooms fully furnished with computers printer, all that is needed for consultations and OPD surgery.

One room dedicated to Laser procedures.

One private room for UVB Treatments.

We have a very dedicated staff working from morning to evening including very experienced Front Desk and Nurses to assist Dr Sohal.

Yours sincerely
